Valuable Information for all Dyslexia Guild Members

Professional Indemnity Insurance

Cover for dyslexia assessment and specialist teaching and support. It is a requirement for anyone with an Assessment Practising Certificate to be covered by Professional Indemnity Insurance whilst assessing. Although many assessors will be covered by their employer's insurance, anyone working privately must take out their own cover. Equally, anyone undertaking private teaching or training is strongly advised to be insured for their professional practice. The Dyslexia Guild has discussed these needs with a firm of insurance brokers, Howden, who are experienced in providing policies to education professionals. You are of course free to get your cover from any provider, but we think it is helpful for the Dyslexia Guild to recommend a firm which understands the type of cover needed for teaching, training and assessment, and where we have been able to negotiate discounted rates for Dyslexia Guild members, and three different levels of cover.

How much does it cost?

For members of the Dyslexia Guild who provide assessments and specialist teaching, including training and supervision of these activities:
