

The Dyslexia Guild

The Professional Association for Specialist Teachers, Practitioners and Assessors

The Dyslexia Guild is a network of professionals who are keen to maintain contact and further their specialist teaching, assessment and support for those with dyslexia and other literacy difficulties. The Guild aims to promote discussion, information and research as well as keeping members informed of developments in the field through publication and distribution.

Who is it for?

The Dyslexia Guild is open to all those with a professional or general interest in dyslexia. Professional members hold designatory letters and include primary and secondary teachers, SENCo's and teaching assistants as well as Further and Higher Education support tutors and advisory specialists. Our network is also highly relevant to dyslexia and specific learning disability assessors, librarians and other specialists through Affiliate membership.
