To curb the summer reading regression, we're offering all children participating in the National Read Aloud Challenge FREE access to the Fonetti app. It's our annual endeavour to keep the children reading and motivated!

Children choose from a library of engaging books and simply read them aloud. Progress and stars achieved are shown to inform and encourage.

When read correctly, the words turn green. If skipped or misread, they turn grey. For children, an audible clue can be accessed by simply double-tapping the word.

Children can effortlessly monitor their progress on a daily, weekly, monthly or overall basis! Parents and carers are kept informed with weekly progress updates.

Introducing the award-winning Read Aloud App for children, the perfect tool to improve literacy, fluency and language skills.

Children across the UK are taking part in the first National Read Aloud Challenge, celebrating the wonders of reading! Schools with winning readers will get certificates, prizes, and a chance to meet Clare Balding CBE in London for the Awards Ceremony!
